- (b) has been properly signed;
- (c) Is substantially responsive to the requirements of the Request for Quotations Documents.

A substantially responsive Quotation is one which conforms to all the terms, conditions, and specifications of the Request for Quotations Documents.

To evaluate a Quotation, the Purchaser shall only use all the factors, methodologies and criteria defined hereinafter, no other criteria or methodology shall be permitted:

- (a) evaluation will be done for Items or Lots;
- (b) price adjustment for correction of arithmetic errors;
- (c) price adjustment due to discounts offered;
- (d) adjustments due to the application of other evaluation criteria as follows: factors related to the characteristics, performance, and terms and conditions of purchase of the Goods and Related Services; the effect of the factors selected, if any, shall be expressed in monetary terms to facilitate comparison of Quotations;
- (e) adjustments due to the application of a margin of preference, if applicable.

No negotiation shall be held with the lowest or any other Bidder.

A bidder shall not be required, as a condition for award, to undertake responsibilities not stipulated in the Request for Quotations Documents, to have to change its price or otherwise modify its Quotation.

CORRECTION OF ERRORS

Quotations determined to be substantially responsive shall be checked by the Purchaser for any arithmetic errors. Errors shall be corrected by the Purchaser as follows:

- (a) where there is a discrepancy between the amounts in figures and in words, the amount in words shall govern; and
- (b) where there is a discrepancy between the unit rate and the line item total resulting from multiplying the unit rate by the quantity, the unit rate as quoted shall govern, unless in the opinion of the Purchaser there is an obviously gross misplacement of the decimal point in the unit rate, in which case the line item total as quoted shall govern, and the unit rate shall be corrected.

The amount stated in the Quotation shall be adjusted by the Purchaser in accordance with the above procedure for the correction of errors and, with the concurrence of the Bidder, shall be considered as binding upon the Bidder.
